Information for the 2010 League:

1. Every member of Men's League needs to have an established USGA Handicap at a cost of \$28.00 + Tax per person. If you did not pay this fee with your Membership, please include \$29.96 with your Men's League Dues. The USGA Handicap allows membership into the Iowa Golf Association and also helps them in running tournaments and growing the game of golf in Iowa.
2. Handicaps will be updated every two weeks beginning in April and run thru October. Every player participating in League must have a USGA Handicap. If one has not been established, the Pro Shop Staff will give the player a starting handicap that will be adjusted each week until enough scores are entered into the Handicap System to create a working handicap.
3. League Standings and Weekly Pin Event winners will be posted every week in the pro shop and Spikes.

We are looking forward to a great 2010 Men's League season at Lake Panorama!!!
